"I thought you were dead too," said Billy Belay, "after you ran out of here with that thin grey man and his big black trunk. He told us terrible stories of the places he intended to go. And you just up and went with him without having heard anything but the reward.".Fallows sat back in his chair and cast a routine eye around the monitor room. Everything seemed to be running smoothly at the crew stations beyond the glass partition behind his console, and the other displays confirmed that all else was as it should be. The reserve tank to Number 2 vernier motor had been recharged after a slight course-correction earlier and was checking out at "Ready" again. All the fuel, coolant, primary and standby power, hydraulic, pneumatic, gas, oil, life-support, and instrumentation subsystems servicing the Drive Section were performing well within limits. Way back near the tail, the banks of gigantic fusion reactors were gobbling up the 35 million tons of hydrogen that had been magnetically ram scooped out of space throughout the twenty-year voyage and converting over two tons of its mass into energy every second to produce the awesome, 1.5-mile-diameter blast of radiation and reaction products that would have to burn for six months to slow the 140-million-ton mass of the Mayflower II down from its free-cruise velocity..He frowned slightly. This machine has dials and little windows with numbers in them, and switches and pushbuttons, most of which you don't understand, but you know they are for special purposes and don't matter. The main control is a metal rod, right in front of you, with a gray plastic knob on the top. The knob is dull from years of handling; it feels warm and a little greasy in your hand. The console has a funny electric smell, but the big screen, taller than you are, is silent and dark. You can feel your heart beating against your breastbone. You grip the knob harder, push it forward just a little. The screen lights, and you are drifting across the next room as if on huge silent wheels, chairs and end tables turning into reddish silhouettes that shrink, twist and disappear as you pass through them, and for a moment you feel dizzy because when you notice the red numbers jumping in the console to your left, it is as if the whole house were passing massively and vertiginously through itself; then you are floating out the window with the same slow and steady motion, on across the sunlit pasture where two saddle horses stand with their heads up, sniffing the wind; then a stubbled field, dropping away; and now, below you, the co-op road shines like a silver-gray stream. You press the knob down to get closer, and drop with a giddy swoop; now you are rushing along the road, overtaking and passing a yellow truck, turning the knob to

steer. At first you blunder into the dark trees on either side, and once the earth surges up over you in a chaos of writhing red shapes, but now you are learning, and you soar down past the crossroads, up the farther hill, and now, now you are on the big road, flying eastward, passing all the cars, rushing toward the great world where you long to be..fierce, almost an awesome, determination that made him seem larger than life.
